Boyne Machine Racing is back in force, to compete in JEG'S CRA All-Stars Tour

Jenison, MI (4-2-12) – Boyne Machine Company is proud to announce their official full time return back to auto racing in the 2012 season. Boyne Machine Racing will be the umbrella for drivers Andrew Nylaan at the Berlin Raceway, Jason Hoogerhyde at Winston Speedway, and Josh Hobson in the JEG'S CRA All-Stars Tour.

The team's biggest involvement lies behind the 18-year-old Birch Run, MI resident Hobson. In 2011, he drove a car sponsored by American Dumpster Service with backing from Boyne Machine Company. With the new season just a few weeks away, car owner Michael Blackmer is excited to announce that this new team will compete for the Rookie of the Year Award in the JEG'S CRA All-Stars Tour. Josh will pilot the #77 Boyne Machine, Sundrop Citrus Soda Super Late Model full time.

In addition to Boyne Machine owning and operating this team, they have also purchased The Pines Sports Bar & Bowling Center, a beautiful newly renovated business in Cadillac, MI. Featuring over 40 HD TV screens, ice cold beer, a 12-lane bowling alley, a pair of ball fields and more, overlooking Lake Mitchell. The Pines will be featured as a secondary sponsor on all of the 2012 Boyne Machine Racing entries.

"After three busy seasons operating the historic Berlin Raceway, I am more than ready to get back to the track in the car owners seat," stated Blackmer, co-owner of Boyne Machine. "While we're always trying to get the checkered flag, I think we have as much fun as anyone at the track and look forward to that side of things this year once again with all our drivers."

Andrew Nylaan will return to his #77 Boyne Machine Super Stock in pursuit of the championship. Boyne Machine shop-foreman Jason Hoogerhyde, will be sliding sideways slinging some dirt in his Boyne Machine, Enterprise Iron & Metal Modified at Winston again this summer. Lastly, Josh Hobson will race part time in the #10 Pines Sports Bar sponsored Super Stock, part time at Berlin Raceway in his Sundrop Super Late Model, and full time with the stout JEG'S CRA All-Stars Tour in the #77 Boyne Machine Ford.

Boyne Machine Company is also the new sponsor of the 2012 JEG'S CRA All-Stars Tour Rookie of the Year Award and the 2012 ARCA CRA Super Series Fast Time Award. In addition, Boyne Machine is proud to announce their involvement as sponsor of Kalamazoo Speedway's biggest three events; Presenting sponsor of the Intimidator 100, and co-sponsor of the Super Stock Klash, and the world renowned Kalamazoo Klash in August.
